

Our mission is to bring an active and healthy lifestyle to Swiss offices. That is why we support companies such as ZKB, Siemens, EY and many more in the planning and implementation of various health measures for their employees. We are a dynamic team that is complemented by more than 20 coaches and speakers.

We are a sports company and have amazing coaches, but we are still looking for the right talents with technical skills to maintain and develop our digital platform. Therefore, we are looking for a

## **(Junior) Full Stack Developer 40-60% (a)**

### **This is how you will fit in with us**

- You are a health-conscious and sports-loving person who enjoys working in a small, dynamic team
- You are characterized by a positive attitude, a lot of energy and a zest for life
- You are a doer type, you are independent, communicative and have a lot of drive
- You would like to take on responsibility from day one and help shape the successful future of VIABZ with us

### **This is what you will do**

- Maintain and improve our client application deployment architecture
- Bringing ideas and innovative UX/UI patterns
- Writing and testing clean, maintainable, and secure code
- Support the testing process
- Releasing to Stores and Production Systems

## What we look for in an applicant

- 2 -year hands-on experience in Full-Stack Web Development
- You develop, you love it, and you're good at it - you love challenges
- You feel comfortable in writing JavaScript, PHP or TypeScript code
- You have a good understanding of general software development principles
- You have good knowledge of React or any other similar framework
- You have experience in WordPress and WP plugin development
- The ability to perform all your tasks with good English - German is an advantage

## What we offer

- The opportunity to write our company history
- Responsible tasks right from the start. Your work will find its way directly to our customers
- A young, cool and dynamic team
- Short and uncomplicated decision-making processes
- A job in the heart of Zurich
- Flexible time management and remote work
- As many fitness classes as you can do 😊
